

## Discover your ancestors!

Do you have Forest of Dean roots? Would you like to discover more about your Forest family from the past? Our winter fundraiser will give you that opportunity and for a small donation you can buy a fundraiser ticket and nominate yourself or someone else to win this unique prize.

Using family research sites and resources held in the Gage library your family will be researched and the findings presented to the winner as a family tree with any interesting stories unearthed included. Of course we can't guarantee anything will be found but it could start you on the exciting journey of discovering your ancestors.

Minimum donation of £2.00 per nomination. Use the link below to start your journey.

Remember to let us know your nomination and how to contact you in the PayPal notes when you donate.

Good Luck!
