

Covid 19 Information

We want to make everyone's visit safe and enjoyable. Please help us and other visitors by maintaining social distancing, following signage, and observing directions from Museum staff.

As per government regulations we ask that you wear a face covering when entering the Museum and Coffee Shop. Face coverings are not required outside or if you are exempt. A contact for each group visiting will be taken at reception for the track and trace system or you can check in with the NHS track & trace app on your smartphone. We are encouraging cashless only payments please and appreciate your support in this.

DHC has taken extra measures to protect visitors from coronavirus, these include screens at reception & coffee shop till, sanitisers throughout the site, one way systems, removing Gallery interactive elements and enhanced site cleaning.

As of 14th September 2020 the 'rule of 6' applies to all so larger groups will not be admitted until further notice.
